

Charlotte's Web

Chapters 13-15 Vocabulary

Words:

Alders – any shrub or tree

Anxiety – uneasiness; intense fear

Ascend – to move upward

Monotonous – repetitiously dull

Radial – arranged like rays; radiating from a common center

Rummaging – to search thoroughly through things

Secure – free from harm or danger

Directions: Read each sentence. Choose which word would make the most sense in the blank.

1. I get frustrated when my sister goes _____ through my room and takes my clothes.
2. The days have started to feel a little _____ since we are always working and no longer go to the school building to learn.
3. Sometimes I have _____ before doing a new task.
4. My brother and I let go of balloons, and together, we watched them slowly _____ into the sky.

5. _____ are commonly found near streams, rivers, and wetlands.

6. I always feel _____ when my mom tucks me into bed at night.

7. Charlotte spins her web in a _____ manner.

Choose 3 of the words above and create your own sentences with them.

1. _____

2. _____

3. _____
