Mad Libs!

Directions: Fill in the blanks with plural nouns only. Make sure you use the correct suffix for the plural nouns you choose. Then, record your silly story into SeeSaw.

One day, I looked outside my \_\_\_\_\_ and saw the craziest thing. There were \_\_\_\_\_ loose in my yard. They were running frantically from the out of control \_\_\_\_\_. I do not think I have ever in my life seen \_\_\_\_\_ run away so fast. Then, something even more insane happened. It started raining \_\_\_\_\_. I could not believe my \_\_\_\_\_. Whew! I may need to go back to sleep. Hopefully, I will see \_\_\_\_\_ in my dreams instead of that madness.
