Concluding my biography

* Write about the impact they have had on people

Ex-Patrick will always be known by the way he ~~can~~ can make others laugh.

* Why will they be remembered

Ex-He is remembered by his kindness and ability to run very fast.

* Quote something someone has said about them.

Ex-Patrick's wife, Morgan Fleming, once said, "Patrick may be a really fast runner, but I mostly just like him because of the way he cares about others." :)
